

Hodge Clemco

AGMEC Blast Lamp (AG1N)

- Bright 550 lumens light for clearer blasting visibility
- Clamps directly onto blast hose
- Compact and low profile
- 12V DC compatibility
- Use with all existing deadman handles
- Reduced heat to reduce lens fogging
- LED bulb - a longer life, more robust, and lower power consumption
- 20% lighter, at just over 400g

A transformer is available separately which requires a 110V AC supply. This provides a stable 12V DC current to the lamp.
